Notice Effective with Volume 30, the degree of coverage of the content of each journal listed is identified, i.e., Fully covered - every article, research note, and book review that appears in the journal is abstracted or cited; or Partially covered - a selection of relevant articles, research notes, and reviews are abstracted or cited. As of Volume 32, Infrequent coverage is also noted, indicating journals that only rarely have articles pertinent to SA.

The designations are: SA-F(full coverage), SA-P(Partial coverage), and SA-I(infrequent coverage).

The same information is presented for SA's sister publications - Social Planning, Policy and Development Abstracts(SOPODA) and Language and Language Behavior Abstracts(LLBA).
